

## ***What do we do? And Why?***

The St. Louis County Police Athletic League (STCPAL) provides children with athletic, educational, and cultural activities coached or sponsored by police officers throughout our community. As an extension of the Neighborhood Policing philosophy, STCPAL is committed to building cooperative, strong, and crime-free communities, while developing youth confidence, leadership, and sportsmanship through positive social interactions with police officers, coaches, and volunteers.

STCPAL is a not-for-profit organization that is funded by generous businesses and individuals just like you. These donations allow this organization to offer numerous athletic and educational activities to the kids of the St. Louis area.

Your support and assistance in helping make this tournament a success is greatly appreciated. The Board of Directors of the St. Louis County Police Athletic League would like to personally thank you for your continued support. Together we will continue to "create positive change, one relationship at a time".
